THE ORIENTAL PLAZA.

A part of Cincinnati's Fall Festival, Where out of Town Visitors Will find Great Diversions Sept. 19 to 29.

The Oriental Plaza, one big feature of the Cincinnati Fall Festival which takes in four halves of Plum Street lying between 13th and 15th streets and diverted by the Canal with its thousands of fairy lamps, electric lights, bunting and strange exhibitions from all climes, will constitute a picture not exceeded by anything short of the great World's Fair Midway at Chicago.

For the Oriental Plaza the Directors have secured the finest group of attractions obtainable in this country; nothing spurious nor mediocre will be tolerated. Trips have been made to various parts of the country—Minneapolis, Omaha, Denver, New York City, Boston and other cities to view personally attractions offered, and only such as came up to the required standard were accepted. Beginning with the Music Hall Odeon in which will be an "All Nation's Theatre" a dozen other attractions will be distributed about over the space between 13th and 15th streets on both sides of the Canal back of Music Hall.

Theatrical performances of different nations will be illustrated in the Odeon. At the left of the entrance into the Plaza from the Exposition Buildings will be the great Wallace Lion and other animals with their trainers. Col. E. Dan'l Boone, grandson of the famous Kentucky pioneer, is Wallace's trainer. At the right of this entrance will be found Col. Magnus Schults' troop of twenty five thousand dollar trained Danes, the most sagacious dogs in the world, Duchess, the wonderful trick elephant, now the greatest in captivity, in this section. Here will also be found Ajax, the trained lion. Across the pontoon bridge are located the Streets of Cairo, Oriental Theatre and other European attractions. The Streets of Cairo will be 250 feet long with plenty of room for the camels and other diversions of the children of the Orient. In the Oriental Theatre will be found High Jumpers, Gun Spinners, and Turkish dancing girls, led by the far famed La Bella Rosa, Queen of the East, and here also will occur the novel Turkish wedding ceremony in all its details. Bosco, the great snake eater will also be here. Near by will Lunette the flying lady, a girl of great beauty who floats about in mid air apparently without support of any kind. She is supposed to be ruled by the wind. Another feature in the Plaza will be the Mexican and Porto Rico theatres, showing the theatrical costumes and customs of these two countries from a stage view. Excursion rates on all railroads.

Louisville Horse Show.

The Louisville Horse Show will be held October 15-19 inclusive and judging from the appearance of the Prize List, a copy of which we have just received, the show will be a credit to the State of Kentucky. The Association hangs up \$10,000, which will be awarded in premiums to sixty-five different classes of horses. Kentucky has never had a real indoor horse show and the metropolis of the State now promises to make up for lost opportunities.

Nature improved by art, at Lancaster, Ky. Let us improve nature by art and make your photo flatter you. I have a large supply of cards which I wish to use by October 15, as I may not remain at work in doors longer than the 15th of October. Any kind of enlarging or frames furnished at a low cost for the work. After October 15, if you want a group of the house or family, at home, I will make a nice photo of you at your home if you drop me a note where to do the work. Thanking for nice treatment and favors, I am truly yours, DAN SMITH.

Be Careful What You Sow.

The wheat crop in this county, so far as the berry is concerned, is certainly excellent this year, with the exception of where farmers were careless and never cleaned their seed wheat before sowing. The consequence is they reaped what they sowed—wheat, cockle, cheat, etc., which depreciated the market value of the wheat. Seeding time is here again. Why not profit by the past and see that your seed wheat is perfectly clean before planting? We would like to impress upon every farmer to sow nothing but choice, clean wheat. Don't get in a hurry and sow all kinds of fifth with your seed wheat and expect to get full price; you will be mistaken. If we should next year have as filthy a crop of wheat as the present (by the farmer neglecting to properly clean his seed) the farmer is responsible for the condition of his wheat, and he cannot expect to realize full market price. From a financial standpoint it is to the interest of the farmer to sow nothing but choice clean seed. Our county is one of the best in the state, our reputation is that we grow better wheat, corn and hemp than any of our neighbor counties. We have the best people on earth, but we will get a little careless sometimes.

Greatest To Be Given

The Louisville Midway will be a great amusing institution. Fairly crowded with attractive shows, representing the splendor and the mystery of the East and the wealth and beauty of the West. There will be the Streets of Cairo, with its dancing girls, Hindoos, Arabs, Cubans, Porto Ricans, Camels, Oriental Theatre, Indian Jugglers and the largest wild animal show ever assembled for all Midway. Half fare rates on all railroads. Remember the date, Sept. 19 to 29.

I have over 1,000 samples of the latest designs in foreign and domestic woollens, from the famous firms of Wanamaker & Brown, of Philadelphia, and the Howard Tailoring company, of Chicago, on exhibition at T. Give me a call before placing your order for a winter suit or overcoat. I also have samples of the largest stock of ready-made clothing in America. Prices astonishingly low and quality very superior. M. D. Hughes, Ag't.

Great Times at Cincinnati.

From all accounts the Exposition features of a big Fall Festival to be held in Cincinnati Sept. 19 to 29 will eclipse the best record of the old Industrial Exposition of the 80's. Every exhibitor in North or South Hall is significant for some special unique feature not ordinarily seen in Expositions. From cutting and polishing diamonds by experts, to the manufacture of biscuits by a new process, every display is remarkable for some special and extremely interesting educational feature. The Exposition department alone will occupy 50,000 square feet in space.

A PRONOUNCED SUCCESS.

Herald Square Opera Co.—Said Pasha Handsomely Presented.

The opera house contained last night a delightful audience. The reputation of the Herald Square Opera Company had preceded it and its initial appearance here was greeted by one of the largest audiences out in a long time.

Said Pasha was the attraction, and the magnificent singing combined with the rare jollity and the real mirth of the opera captured the audience, which time and again enquired the most brilliant passages in both the solo and chorus work.

The promise of fine acting, pretty girls and beautiful costumes was fulfilled, and on all sides one hears words of praise for the entire company. Many of the solos were exquisite and the happy blending of the voices in the choruses made grand melody. There was not a dull moment in the performances.—Reading Journal. Opera House Friday and Saturday Sept. 14 and 15.

Pepsin Syrup Co.

Dear Sirs:—We have been keeping house for five years and are never without Dr. Caldwell's Syrup Pepsin. We find nothing to equal it for stomach troubles and my children like it as well as candy. One night recently my wife was giving a dose to our baby (14 years old) and Neida (our little girl, 4 years old) cried for some, too. Her mamma told her she didn't need it and then she said: "Can't I lick the spoon?" It is pleasant to take, the effects are so good, we hate to be without Dr. Caldwell's Syrup Pepsin. Yours truly, L. A. D. Werthers, Mgr. Enterprise Hotel.

Fall Festival.

Sept. 19 to 29 1900.

"If you can't go to Paris, come to the Paris of America."

One Hundred Thousand Dollars have been set aside for the festivities of the Cincinnati Fall Festival. An Industrial Exposition will be the leading feature. All the famous permanent exposition buildings will be occupied. They cover over 100,000 square feet of space, and will be filled with new, novel, instructive and interesting exhibits. Cincinnati's original Industrial Exposition in the United States, and the present one promises to be more attractive and novel than ever before.

\$1,000 In Gold

Will be given for the best float in the great Trades and Manufacturers Parade. A gorgeous float, the greatest spectacle ever witnessed in Cincinnati, will be a feature of the festival. The Plaza will cover both sides of the canal for many thousand feet, filled with novel entertainments from all parts of the world—a new and modern Midway Pleasure.

In the Great Springer Music Hall

One of the largest and most famous auditoriums in America, a spectacular allegory will be given with grand cast and gorgeous scenery. New costumes and inspiring music.

The opening of the festival will be heralded by booming of cannon, ringing of bells, and the welcoming ceremonies in honor of the Harvest Queen, whose royal barge will be met on its way down the Ohio, and who will be escorted in great state to a grand reception at Springer Hall. Novel and elaborate fireworks display will be made from moving boats.

The Zoo, Coney Island, and other summer resorts will have special programs. A day will be set apart for the Trades Unions of the city, and another day devoted to a Monster Athletic Carnival.
